

## 2003 Signatory Documentation Sheet

In January 2002 the Regional Disaster Plan for Public and Private Organizations in King County, Washington, consisting of five core documents, was sent out for adoption and signature. This voluntary plan is intended for participating organizations, within King County, to assist each other in disaster situations when their response capabilities have been overloaded.

For 2003, three new Emergency Support Function (ESFs) documents are completed and ready for adoption and inclusion to the Plan. They are as follows:

- Appendix 2: Public Information
- Appendix 6: Training & Exercises
- ESF-2: Telecommunications & Warning

This "2003 Signatory Documentation Sheet" is requested because there was one change to the legal document, the Omnibus Legal and Financial Agreement (specifically Article XVIII), from the 2002 Open Comment Period. Participating organizations are requested to approve and adopt, through signature to this form, the revised Omnibus. New partners are also requested to use this signatory sheet.

**IN WITNESS WHEREOF**, the Subscribing Organization hereto has caused this Regional Disaster Plan for Emergency Assistance to be executed by duly authorized representatives as of the date of their signature:
